REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board Members NAFA Capital Markets, LLC

We have audited the accompanying statement of financial condition of NAFA Capital Markets, LLC (the "Company") as of December 31, 2016, and the related statements of operations, changes in members' equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of NAFA Capital Markets, LLC as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

The information in Schedule I has been subjected to audit procedures performed in conjunction with the audit of NAFA Capital Markets, LLC's financial statements. The information in Schedule I is the responsibility of NAFA Capital Markets, LLC's management. Our audit procedures include determining whether the information in Schedule I reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in Schedule I. In forming our opinion on the information in Schedule I, we evaluated whether the information in Schedule I, including its form and content, is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the information in Schedule I is fairly stated in all material respects in relation to the financial statements as a whole.

NAFA CAPITAL MARKETS, LLC Notes to Financial Statements

December 31, 2016

Note 1 - Organization and Nature of Business

NAFA Capital Markets, LLC (the "Company") is an Oklahoma Limited Liability Company. Each member's liability is limited to its capital account. The Company is a broker-dealer in securities registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company operates under SEC Rule 15c3-3(k)(2)(ii), which provides that all the funds and securities belonging to the Company's customers would be handled by a clearing broker-dealer. In accordance with the provisions of this rule, the Company executes all of its customers' transactions on a fully-disclosed basis, through an unaffiliated clearing broker-dealer which carries the accounts and securities of the Company's customers. The Company is also registered as an investment advisor in Oklahoma and certain other states and is exempt from registering as an investment advisor with the SEC under sections 203(I) and 203(m) of the Investment Advisors Act of 1940 and related rules.

Note 2 - <u>Summary of Significant Accounting Policies</u>

Basis of Presentation

The financial statements present the financial position and results of operations of the Company in accordance with accounting principles generally accepted in the United States.

Securities Transactions

Profit and loss arising from all securities transactions entered into for the account and risk of the Company, principal transactions, are determined using the specific identification method and are recorded on a trade date basis.

Customer securities transactions, agency transaction, (and related commission revenue and expense) are recorded on a trade date basis.

Fee Income

The Company entered into investment advisory relationships with some of its clients. It receives quarterly management fees in arrears based on assets under management. Also, the Company earns advisory revenues from investment banking, financial and advisory services which include retainer fees and success fees. Retainer fees are recorded on a pro rata basis as the services related to the underlying transaction are earned under the terms of the engagement. Success fees are recorded when the underlying transactions are consummated.

Cash and Cash Equivalents

For purposes of reporting cash flows, the Company defines cash equivalents as highly liquid investments with original maturities of less than ninety days that are not held for sale in the ordinary course of business.

Furniture, Equipment and Leasehold Improvements

Furniture, equipment and leasehold improvements are stated at cost less accumulated depreciation and amortization. Depreciation is provided principally by the straight-line method using estimated useful lives of three to ten years. Leasehold improvements are amortized over the lesser of the economic useful life of the improvement or the term of the lease.

Notes to Financial Statements December 31, 2016

Note 2 - Summary of Significant Accounting Policies, continued

Income Taxes

The Company is treated and taxed as a partnership for federal income tax purposes. Accordingly, any tax liability is the responsibility of the individual members.

Any potential interest and penalty associated with a tax contingency, should one arise, would be included as a component of income tax expense in the period in which the assessment arises. The Company's income tax returns are subject to examination over the statutes of limitations, generally three years from the date of filing.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 3 - Deposits with and Receivable from Clearing Broker-Dealers

Deposits with clearing broker-dealers include cash required to be maintained at the clearing broker-dealer for clearing and trading activities. Receivable from clearing broker-dealer is comprised of commissions and other items. Such amounts are normally collected within five days after month end.

Note 4 - Furniture, Equipment and Leasehold Improvements

A summary of furniture, equipment and leasehold improvements at December 31, 2016 is as follows:

Furniture and fixtures	\$ 26,925
Equipment	35,842
Leasehold improvements	19,885
·	82,652
Less accumulated depreciation and amortization	<u>79,574</u>
	\$ 3,078

Note 5 - Commitments and Contingent Liabilities

Financial Instruments with Off-Balance-Sheet Risk

In the normal course of business, the Company's customer activities involve the execution, settlement, and financing of various customer securities transactions. These activities may expose the Company to off-balance-sheet risk in the event the customer or other broker is unable to fulfill its contracted obligations and the Company has to purchase or sell the financial instrument underlying the contract at a loss. The majority of the Company's transactions with off-balance-sheet risk are short-term in duration. In such instances, the Company is required to indemnify its clearing broker-dealer. Management was neither aware, nor had it been notified of any potentially material indemnification loss at December 31, 2016.

NAFA CAPITAL MARKETS, LLC Notes to Financial Statements December 31, 2016

Note 6 - Concentrations Risks

The Company has five customers located in Oklahoma who make up approximately 99% of its revenues. If these relationships are terminated the Company may be exposed to financial risk.

The Company maintains its cash in bank deposit accounts that, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and does not believe it is exposed to any significant risk.

Note 7 - Operating Lease

The Company entered into a 12-month extension of its office lease agreement, effective November 2016. The lease expires October 31, 2017. The monthly basic rent under the agreement is \$4,440 per month. Rental expense for the year was \$57,244.

Note 8 - Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2016, the Company had net capital of \$241,207 which was \$141,207 in excess of its required net capital of \$100,000. The Company's ratio of aggregate indebtedness to net capital ratio was .05 to 1.

The Company is exempt from the Securities and Exchange Commission Customer Protection Rules (SEC rule 15c3-3), which relate to reserves and custody of securities, under section (k)(2)(ii) of this rule.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board Members NAFA Capital Markets, LLC

We have reviewed management's statements, included in the accompanying NAFA Capital Markets, LLC's Exemption Report, in which (1) NAFA Capital Markets, LLC (the "Company") identified provision 17 C.F.R. §15c3-3(k)(2)(ii) (the "exemption provisions") under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3 and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

EXEMPTION REPORT DECEMBER 31, 2016

Comes now the firm and makes the following statements that we believe are true and accurate to the best of our knowledge and belief:

- 1. The firm is exempt from Rule 15c3-3 under Section (k)(2)(ii), in which all transactions are cleared through another broker-dealer on a fully disclosed basis.
- 2. The firm met the identified exemption provisions throughout the most recent fiscal year without exception.

INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES DECEMBER 31, 2016

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON APPLYING AGREED-UPON PROCEDURES

To the Board Members NAFA Capital Markets, LLC

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and with the SIPC Series 600 Rules, we have performed the procedures enumerated below, which were agreed to by NAFA Capital Markets, LLC (the "Company") and the Securities Investor Protection Corporation ("SIPC") with respect to the accompanying General Assessment Reconciliation (Form SIPC-7) of the Company for the period from January 1, 2016 to December 31, 2016, solely to assist you and the SIPC in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- 1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
- 2. Compared the total revenue amounts reported on the Annual Audited Report Form X-17A-5 Part Ill for the period from January 1, 2016 to December 31, 2016 with the amounts reported in Form SIPC-7 for the period from January 1, 2016 to December 31, 2016, noting no differences;
- 3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
- 4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and,

MOSS-ADAMS LLP

5. We were unable to compare the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed as there was no such overpayment amount stated on Form SIPC-7 and management represented to us that no such overpayment exists.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the Form SIPC-7. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
